

Expect Your Miracle

It's the Secret to Life
by Pastor John Hamel

“Jesus of Nazareth, a man approved of God among you by MIRACLES and wonders and signs ... ye have taken and by wicked hands have crucified and slain: Whom God has raised up having loosed the pains of death...” (Acts 2:22-24)

Miracles. Do you believe in them? I do. I am a Miracle. Over two decades ago I was a drug addict and overall, one beat down, miserable human person. I thought God was mad at me and I was mad at everyone else. One day I heard a “Televangelist” that I used to mock say, “If you are addicted to drugs and you think God is mad at you, YOU ARE WRONG! Jesus loves you and will set you free if you will just ask Him.” Well, I did as the man said and asked. As I lay there in my living room, all alone, a giant hand was placed on my head three times and I slipped into unconsciousness. As I lay there for NEARLY THREE FULL DAYS, I did not dream, change positions, eat or drink. All bodily functions ceased, SUPERNATURALLY. Towards the end of the third day, I regained consciousness to discover that I was free from the bondage of drugs! I’ve been telling everyone, everywhere, ever since about Jesus’ Miracle Power!

Since that day, I have witnessed many miracles, including the raising of a dead man back to life. God even gave me a friendship with a Miracle man who has now gone on to Heaven. This man had an eye surgically removed as a child. Through miracle prayer, Jesus gave him the ability to see through an empty eye socket! Keep in mind, this is not someone I heard about. This is someone I knew personally. One day he sat on my Church platform and removed his plastic eyeball. I folded a handkerchief eight times and placed it over his existing good eye. I then taped it in place, using a half roll of adhesive tape. Practically every person in that congregation came forth that day, handing him something to read. He read birth certificates, newspapers, magazines, a nursing certificate, etc. ALL THROUGH AN EMPTY EYE SOCKET. Brother Coyne once explained to me

that he could see through that empty eye socket twenty-four and seven, EVEN WHEN THE PLASTIC EYEBALL WAS IN THE SOCKET. This was a true Miracle of God. The Almighty simply overrode and suspended the Laws of Nature, allowing Brother Coyne to see with his spiritual eyeball.

You may have seen Brother Coyne during one of his multiple appearances on Oprah Winfrey, Phil Donahue, Geraldo Rivera, Sally Jesse Raphael, etc. This man led untold millions to Jesus by demonstrating this Miracle during 43 years of worldwide Ministry! His name is Roscoe Ronald Coyne from Tulsa, Oklahoma. You can easily find his testimony on the Internet.

So when someone foolishly declares to me, “Miracles don’t happen anymore. They are all over!” I say, “They are ‘all over’. They are happening ‘all over’ the Earth. You don’t get to see them because God knows you don’t believe in them. He’s honoring your free will.”

The Bible says that Jesus is the same today as He was yesterday. It also says He will never change. (Hebrews 13:8) He is as much of a Miracle Worker today as He was in Bible days. He still performs Miracles for three primary reasons. First, He wants to Glorify His Father. (Matthew 9:1-8) Second, He wants the world to know He is their one and only Savior. (Acts 10:38) Third, He wants to help you out of any difficulty you are experiencing simply because He loves you! (John 10:10) However, He simply cannot help you with a Miracle if you do not believe He will. (Mark 6:1-6) The Bible says the only way we can please Him is by EXPECTING MIRACLES. (Hebrews 11:6)

Everywhere my wife and I go in life and in Ministry, we tell people, “God is never your problem. God is always your solution. He made you for Miracles and He made Miracles for you. The SECRET to a prosperous, healthy, joyful life is EXPECTING MIRACLES!”

If you have not yet made the Miracle Worker, Jesus, Lord of your life, just say, “Jesus, You’re my choice” and He’ll induct you into the world of Miracles. Then tell Him that you not only believe in

Miracles but that He is welcome to intervene with Miracles on your behalf. When you do, get ready for a parade of Miracles!

Be blessed. Pastor John and Barbara Hamel
